

# FAST TRACK YOUR TECH CAREER

SkillStorm's IT Professional Apprenticeship Program is designed for veterans without a degree or prior tech experience looking to launch a career in tech. **In just 36 months**, you'll have the earning potential of up to **\$65k+ a year** using the experience and certifications gained through the apprenticeship program.

- 1 TRANSFERRABLE SKILLS:**  
Working in tech requires excellent time management, critical thinking, creativity, and working well under stress. Sound familiar?
- 2 DEMAND FOR CLEARANCES**  
Federal agencies migrating to secured cloud computing are creating an insatiable demand for cleared tech talent. Your clearance makes you a scarce resource.
- 3 HIGH-WAGE, HIGH OPPORTUNITY CAREER**  
The training and certifications, in high-demand technologies, SkillStorm offers its employees accelerates your ability to get the high-paying career you're seeking.

## EARN WHILE YOU LEARN AND BUILD A LONG-TERM CAREER IN TECH

## OVER 3 YEARS, YOU'LL PROGRESSIVELY ADVANCE YOUR CAREER
