

SKILLSTORM COMMERCIAL SERVICES

CAPABILITY STATEMENT

COMPANY OVERVIEW

Founded in 2002, SkillStorm was built on the mission of accelerating careers in high-demand technologies. We are a strategic, consulting, staffing and technology services company.

We are committed to hiring and training veterans and college graduates for high-growth technology careers with our fortune 100 clients. Through these dedicated efforts, we are able to build a reliable, exclusive pipeline of high-quality, U.S.-based tech talent with the skills and clearance levels required to support our client's critical technology initiatives.

SERVICES

TSM Apprenticeship Program

Designed to develop transitioning service members into experienced IT professionals through our 36-month apprenticeship program.

NexGen Program

Our 10-12 week program provides the flexibility to customize training per technology stack, tailored specifically to our client's needs.

Accelerator Program

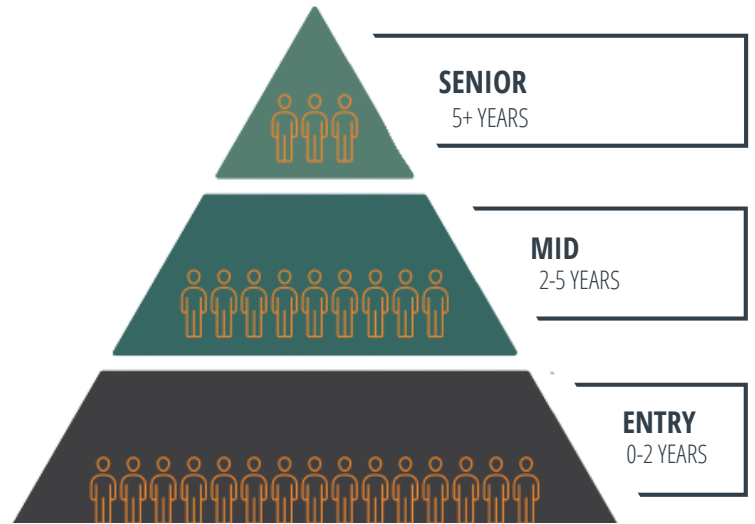

We upskill technologists to become specialists in technology stacks such as AWS, Salesforce, Pega and ServiceNow.

StormStaff Program

We are a provider of highly qualified, experienced and lead technologists in all technology stacks to solve your immediate challenges.

Resource Planning Consulting

We help businesses reimagine and rebuild their tech talent acquisition and retention strategies.

DIFFERENTIATORS

Through our unique NexGen offering we are able to provide Technologists at scale that are:
